

```

E|-----7--10--
B|-----7--10-----
G|-----7--(9)-----
D|-----7--9-----
A|-----7--9-----
E|--7--10-----

```

Pentatonic blues scale in B

(9) Indicates a "Full" bend

A full bend is also known as a "Whole" note bend, meaning you want to bend the 9th fret up to the 11th fret, which is also the same note as the 7th note on the B string.

```

E|-----10--(12)--
B|-----10--(12)---
G|-----7--9--11-----
D|-----7--9-----
A|-----7--9-----
E|--7--10-----

```

Also the pentatonic blues scale in B but in this version we are moving up to the 11th fret. (12) Indicates a "full" bend.
